Dear Colleagues,

On behalf of INESEG we are pleased to invite you to participate The International Engineering Conference (IEC 2017), The International Social Sciences and Education Conference (ISSEC 2017) and The International Natural and Health Science Conference (INHSC 2017) that will be held at Antalya, Turkey, on October 19-21, 2017.

Conference Aims and Objectives

IEC 2017, ISSEC 2017 and INHSC 2017 aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Science. It also provides a premier interdisciplinary platform for researchers, practitioners and lecturers to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of science, education, engineering and technology.

Call for Contributions

All honorable authors are kindly encouraged to contribute to and help shape the conference through submissions of their research **abstracts, papers and posters**. Also, high quality research contributions describing original and unpublished results of conceptual, constructive, empirical, experimental, or theoretical work in all areas are cordially invited for presentation at the conference. Each registered participant may have three papers for oral and/or poster presentations. The papers will be presented in English or Turkish.

Conference Proceedings

All submitted conference papers will be peer reviewed by two competent reviewers. The conference electronic abstracts and proceedings book and certificate of presentation will be distributed to participants at the conference registration desk.

Conference Awards

The “**Best Paper Awards**” will be given to the studies which will be selected by the committee among the presented papers/posters in **IEC 2017, ISSEC 2017 and INHSC 2017**. Study’s relevance to the symposium’s scope, its scientific contribution, writing/presentation style will be considered in the evaluation process.

Awards:

- **Best Oral Presentation Awards** (1st, 2nd, 3rd)
- **Best Poster Awards** (1st, 2nd, 3rd)

Conference Venue

The conference will be held at Hotel Fame Residence & Spa, Antalya, Turkey. Fame Residence Lara & Spa Hotel is located only 16 km from city center and 14 km from the airport. The hotel features blue flagged beach, sports activities, mini club and entertaining shows with “All Inclusive” concept. This conference is also designed not only to be intellectually stimulating but also socially enjoyable. We trust you will be inspired by not only the standard of the technical program but also by the hospitality prepared for you in the beautiful city of Antalya.
