

T.R
BATMAN UNIVERSITY
THE DIRECTORATE OF GRADUATE EDUCATION INSTITUTE

It is **ANNOUNCED** that Students for **Master's with thesis / Ph.D** will be admitted to the following departments of Batman University Graduate Education Institute in the 2021-2022 Spring Semester.

Department	Student	Type of ALES exam	Available Quota	Requirements
Department of Physics	Ph.D	Quantitative	5	To hold a Master's degree in one of the following departments: Physics, Physics Engineering, Physics Education, Electrical and Electronics Engineering, Electrical Engineering, Electronics Engineering, Computer Engineering, Energy, Renewable Energy, Renewable Energy Systems, Nuclear Energy, Nanotechnology, Metallurgical and Materials Engineering, Materials Engineering, Energy Systems Engineering.
	Foreign		1	
	Transfer		1	

Department	Student	Type of ALES exam	Available Quota	Requirements
Department of Electrical and Electronics Engineering	Master's (In-Field)	Quantitative	12	To hold a Bachelor's degree in one of the following departments; Electrical Eng., Electronic Eng., Electrical and Electronics Eng., Control Eng., Electronics and Communication Eng. or Biomedical Eng.
	Foreign		5	
	Transfer		2	
	Master's (Non-Field)		2	To hold a Bachelor's degree in one of the following departments; Computer Eng., Computer Science, Software Eng., Informatics Eng., Industrial Eng., Electronics and Communications Eng., Electrical-Electronics Eng., Telecommunications Eng., Control Eng., or Electrical Eng.

Department	Student	Type of ALES exam	Available Quota	Requirements
Department of Electrical and Electronics Engineering	Ph.D (In Field)	Quantitative	7	To hold a Bachelor's and Master's degree from one of the following departments; Electrical Eng., Electronic Eng., Electrical and Electronics Eng., Control Eng., Electronics and Communication Eng. or Biomedical Eng.
	Ph.D (Non- Field)		1	To hold a Bachelor's and Master's degree from one of the following departments; Computer Engineering, Computer Science, Software Engineering, Information Engineering, Industrial Engineering, Electronics and Communications Engineering, Electrical-Electronics Engineering, Telecommunications Engineering, Control Engineering, or Electrical Engineering. Candidates who had not received basic engineering knowledge in their former undergraduate and graduate programs may be required to have some deficiency courses.
	Foreign		2	

Department	Student	Type of ALES exam	Available Quota	Requirements
Department of Physics	Master's	Quantitative	10	To hold a Bachelor's degree in one of the following departments; Physics, Physics Engineering, Physics Teaching, Science Teaching, Optical and Acoustic Engineering, Electronics Teaching, Electrical Teaching, Electrical-Electronics Teaching, Computer Teaching, Computer and Instructional Technologies Teaching, Electrical-Electronics Engineering, Electrical Engineering, Electronics Engineering, Computer Engineering , Energy, Renewable Energy, Renewable Energy Systems, Nuclear Energy, Nanotechnology, Metallurgical and Materials Engineering, Materials Engineering, Energy Systems Engineering.
	Transfer		1	
	Foreign		2	

Department	Student	Type of ALES Exam	Avaliable Quota	Requirements
Department of Economics	Master's (In-Field)	Equally Weighted	10	To hold a Bachelor's degree in one of the followings departments: Faculty of Economics and Administrative Sciences, Faculty of Political Sciences, Faculty of Business Administration, Faculty of Economics.
	Master's (Non-Field)		5	To hold a Bachelor's degree in any department.
	Foreign		2	To hold a Bachelor's degree in one of the followings departments: Economics, Business Administration, Public Administration, International Relations.

Department	Student	Type of ALES exam	Avaliable Quota	Requirements
Department of Civil Engineering	Master's (In-Field)	Quantitative	22	To hold a Bachelor's degree in department of Civil Engineering.
	Transfer		1	
	Master's (Non-Field)		3	To hold a Bachelor's degree in the departments of either Environmental Engineering or Geomatics Engineering.
	Foreign		2	To hold a Bachelor's degree in department of Civil Engineering.

Department	Student	Type of ALES exam	Avaliable Quota	Requirements
Department of Business	Master's (In-Field)	Equally Weighted	20	To hold a Bachelor's degree in one of the followings departments: Faculty of Economics and Administrative Sciences, Faculty of Political Sciences, Faculty of Business Administration, Faculty of Economics .
	Master's (Non-Field)		10	To hold a Bachelor's degree in any department.
	Foreign		5	To hold a Bachelor's degree in one of the followings departments: Business, Economics, Public Administration, Labor Economics and Industrial Relations, International Relations, Econometrics, Finance Departments

Department	Student	Type of ALES exam	Available Quota	Requirements
Department of Geological Engineering	Master's	Quantitative	7	To hold a Bachelor's degree in department of Geological Engineering .
	Foreign		3	

Department	Student	Type of ALES exam	Available Quota	Requirements
Department of Chemistry	Master's	Quantitative	17	To hold a Bachelor's degree in one of the following departments: Departments of Chemistry, Chemistry Teaching, Chemical Engineering, Science Education, Environmental Engineering, Food Engineering, Nutrition and Dietetics, Faculty of Pharmacy.
	Foreign		15	

Department	Student	Type of ALES exam	Available Quota	Requirements
Department of Chemistry	Ph.D	Quantitative	5	To hold a Master's degree in any field of Chemistry.
	Transfer		5	

Department	Student	Type of ALES exam	Available Quota	Requirements
Department of Mechanical Engineering	Master's	Quantitative	10	To hold a Bachelor's degree in department of Mechanical Engineering.
	Transfer		1	
	Foreign		1	

Department	Student	Type of ALES Exam	Available Quota	Requirements
Department of Mechanical Engineering	Ph.D	Quantitative	5	To hold a Master's degree in department of Mechanical Engineering
	Foreign		1	
	Transfer		1	

Department	Student	Type of ALES exam	Available Quota	Requirements
Department of Petroleum and Natural Gas Engineering	Master's	Quantitative	8	To hold a Bachelor's degree in department of Petroleum and Natural Gas Engineering.
	Foreign		5	

Department	Student	Type of ALES Exam	Available Quota	Requirements
Department of History	Foreign	Verbal	1	To hold a Master's degree in department of Social Sciences.

APPLICATION REQUIREMENTS AND EVALUATION PRINCIPLES

ATTENTION:

- Applications are accepted online. After you have read the announcement, [CLICK HERE](#) to apply.
- Candidates who meet the application requirements for graduate programs can apply to a maximum of two programs; with and without thesis.
- The applicant is responsible for any mistake throughout the application process; thus, for any reason /s (due to the candidate's mistake, lack of information, mistaken / incorrect data entry into the online system, etc.) **all transactions made as a result of the incorrect application will be cancelled, and the registration of the students having been registered will be deleted.** Therefore, before applying, the application/admission requirements and requested

information/documents should be carefully examined, and data entries should be made carefully during the online application.

- The documents required for the application **will be submitted in person during the registration dates**. Certified photocopies or originals of the documents should be presented together, and the photocopies will be received after the originals are checked and approved by the Institute.
- Please, read the entire announcement carefully. Answers for the questions about admission requirements to the departments, registration dates and documents required for admission are available in the announcement. You may not be able to reach our Institute's phones due to the busy process of the application; hence, we kindly request you to get support via the e-mail address defined in the announcement.
- The results can be received by entering the application portal (UBYS). According to the Law on the Protection of Personal Data No. 6698, the sheet list will not be published, and thus, the objections and complaints made in this regard will not be taken into account.

FOLLOWING STEPS MUST BE CONSIDERED ON THE APPLICATION PAGE

- 1) **Program Selection:** The program to which you want to apply must be selected. Candidates applying for the available quota of non- field must select ; **"I want to apply for the available quota of non-field"** indicated on the portal.
- 2) **Exam Results:** The system automatically retrieves exam results; however, the candidate should check the accuracy of the results. Candidates with multiple exam results can delete and add on the system. Undifened exam results should be added manually in the “add exam” section.
- 3) **ID Information:** The photo must be uploaded at first. (It should be taken from the profile and have high resolution.)
 - Information in ID should be re-checked. Military service status for male candidates should be filled in this section.
- 4) **Address Information:** Address information must be provided. It may be a home or work Address.
- 5) **Contact Information:** Mobile phone and active e-mail address must be provided.
- 6) **Education Information:** Your information is automatically fetched through YÖKSİS. The accuracy of it should be checked.
 - Candidates holding more than one Bachelor’s degree should only indicate the one to be used in the application (The system only accepts one Bachelor’s degree).
 - The grades of Transcript 4 system are automatically converted into 100 system grades via UBYS portal in accordance with CHE (Council of Higher Education)'s table. **(Candidates having a score of 4 and 100 on their transcript can add their university's score to the system if it is higher.) (Candidates must check the accuracy of Bachelor’s GPA)**

7) **Other :** There is no need to upload any documents.

APPLICATION REQUIREMENTS FOR FOREIGN STUDENTS

- To hold a Bachelor's degree approved by CHE (Council of Higher Education),
- Foreign students holding a Bachelor's degree from a Higher Education Institution in Turkey must have at least 55 points in ALES exam,
- To have at least a B2 level certificate from DİLMER or TÖMER to indicate Turkish proficiency level,
- Candidates who do not have at least a B2 proficiency level certificate from DİLMER or TÖMER are taken to the written exam to be held by DİLMER or TÖMER. The ones scoring at least 70 out of 100 in the Turkish Language Exam conducted by DİLMER or TÖMER receive the right to start graduate education. On the other hand, candidates who fail this exam are given a maximum of two semesters to learn Turkish. Those who get at least B2 level certificate in the exams held by DİLMER or TÖMER within this period can start their graduate education from the following semester.
- Foreign students having graduated from a Higher Education Institution in Turkey are not required to have a Turkish proficiency certificate.
- The fee for foreign students in the master's program with thesis is 5,500.00 TL. This fee will be received in total during the registration.

DOCUMENTS TO BE SUBMITTED TO THE INSTITUTE BY THE ACCEPTED CANDIDATES FOR REGISTRATION

- 1) **Application Form:** The printout obtained after the application is completed via UBYS (University Information Management System).
- 2) **ALES:** The document of valid ALES result or equivalent exam result approved by CHE (Council of Higher Education) instead of ALES. (To have received at least 55 or equivalent points from the Academic Personnel and Graduate Education Entrance Examination (ALES) or equivalent exams in the score type of the program applied for) ALES results are valid for five years from the date of announcement.
- 3) **Diploma:** The original or certified copy of the undergraduate diploma (for foreign graduates, the equivalence certificate must be approved by CHE). The photocopy of the diploma must be approved by the university from which the candidate had graduated, as "certified copies".
- 4) **Transcript:** The original or certified copy of the transcript showing the courses taken at the undergraduate level. The system grades of 4 will be automatically converted into the system of 100 in accordance with the table of CHE via UBYS.

- 5) **Foreign Language:** A result of YDS exam or any exam accepted instead of YDS. The validity period of the foreign language exam results is 5 years from the exam date.
- 6) **Photo:** 1 pc
- 7) **Fotocopy of ID Card:** 1 pc

Note: Candidates who are entitled for the registration must bring the originals and photocopies of the above-mentioned documents to the Institute between 10-14 January 2022. (Photocopies will be taken from the students after the originals are checked.)

REQUIREMENTS FOR APPLICATION, ACCEPTANCE AND ASSESSMENT

Requirements for the Admissions without Exams: Master's with Thesis: The application of the students are conducted in accordance with **Table for Calculating Success Score**. Also, there will be **no pre-assessment and entrance exam**. The candidate must obtain an average of **at least 50 points** for her / his application to be considered. The main and substitute candidates are determined by starting from the highest score based on the announced available quota. In cases of equal scores, ALES points are taken into consideration; if no change is indicated, then the candidate holding the highest GPA score will be qualified.

Table for Calculating Success Score

Documents	Calculating Success Score
ALES	60 %
GPA score	30 %
Foreign Language	10 %

Requirements for the Admissions without Exams: Ph.D:

The application of the students are conducted in accordance with **Table for Calculating Success Score**. In addition, pre-assessment and entrance exam will not be held apart from the defined programs having indicated the requirements beforehand. The candidate must obtain an average of **at least 60 points** for her / his application to be considered. The main and substitute candidates are determined by starting from the highest score based on the announced available quota. In cases of equal scores, ALES points are regarded; if no change is revealed, then the candidate with a high undergraduate graduation GPA and foreign language exam score is prioritized respectively.

Table for Calculating Success Score

Documents	Calculating Success Score
ALES	50 %
GPA of Master's	25 %
Foreign Language	15 %
GPA of Bachelor's	10 %
